

FIRE FIGHTING / WATER CARTAGE SKIDS

- Long lasting UV stabilised polyethylene tank
- Translucent (to see water level)
- Foam filled internal baffle for stability
- Extra heavy duty skid frame
- Galvanised for rust protection
- Extra high top bar to prevent damage
- Top bar height suitable for leaning on or holding while operating the unit
- Honda pump motor
- All metal heavy duty hose reel with 40m fire fighting hose
- Fork access from both sides/ends of skid
- Compact skid requires less tray space
