

## Water Smart Gardens and Homes Rebate Scheme

Products purchased between 1 July 2007 and 30 June 2009 by a residential water customer on an urban reticulated water supply

- **Small rainwater tank (600 litres to 1999 litres) \***
  - \$150 for a tank
  - an additional \$150 for tank connected to toilet
  - tank must be installed by a licensed plumber, and a PIC certificate included with application if costs exceed \$500
- **Large rainwater tank (2000 litres to 5000+ litres)**
  - \$500 for a tank 2000 - 4999 litres connected to toilet and / or laundry
  - \$900 for a tank 5000+ litres connected to toilet or laundry
  - \$1000 for a tank 5000+ litres connected to toilet and laundry
  - tank must be installed after 1 July 2007 and connections to toilet and/or laundry made at time of tank installation
  - tank must be installed by a licensed plumber, and a PIC certificate included with application
- **Greywater systems \***
  - \$500 for a greywater permanent tank system that recycles water for use on the garden or in the toilet
- **Dual flush toilet**
  - \$50 for a toilet that uses 3 litres of water on a half flush, 6 litres on a full flush or less
- **Three-star water efficient showerhead**
  - \$10 for a water efficient showerhead that can use 30% less water than a normal showerhead
  - \$20 where the cost of the showerhead is \$100 or greater
- **Water conservation home audits**
  - Up to \$50 for a service to assess where a household could save water, and recommend products and methods that would help to do this
- **A basket of garden products**
  - \$30 when you spend \$100 or more : includes products such as mulch, flow control valves, wetting/moisture agent, compost/mulch bin, moisture/rain sensor, garden tap timer, drip watering system/weep hose, trigger nozzle, rainwater diverter, waterless car cleaning products and temporary greywater diverter.

\* Must be installed by a licensed plumber. New houses where the building permit for the house was received after 30 June 2005 are not eligible for the rainwater tank rebates.
